

The Great Online Marketing Scam (Eye-Opener Series Book 4)

★★★★★ This is high quality stuff.

By Amazon Customer on 14 November 2016

No beating around the bush, straight, concise, simple and immensely useful.

If you read this book and spend some time understanding, exploring and using calculators the authors have made available at goalbasedinvesting.in, you don't need to take services of any financial planner and in all probability you can do better job at your own financial planning than most of the professional financial planners out there in the market.

★★★★★ Must have

A simple and nice book on investing, this book makes us see, financially where are we now, what is our destination, and how to reach it, the taxation chapter was an eye opener. An ideal gift for earning people.

★★★★★ A Must Read.

By shameet on 16 November 2016

A must read for every beginner, or even for a seasoned investor, who are lost somewhere in the process. Each chapter is so nicely explained with no jargons, be it related to Insurance, Investment, Taxation or Mutual Funds.

And at the end calculators are just an eye opener when you put the real numbers, that makes the end icing on the cake.

★★★★★ Five Stars
